

# Accessing the Library Catalog from Home

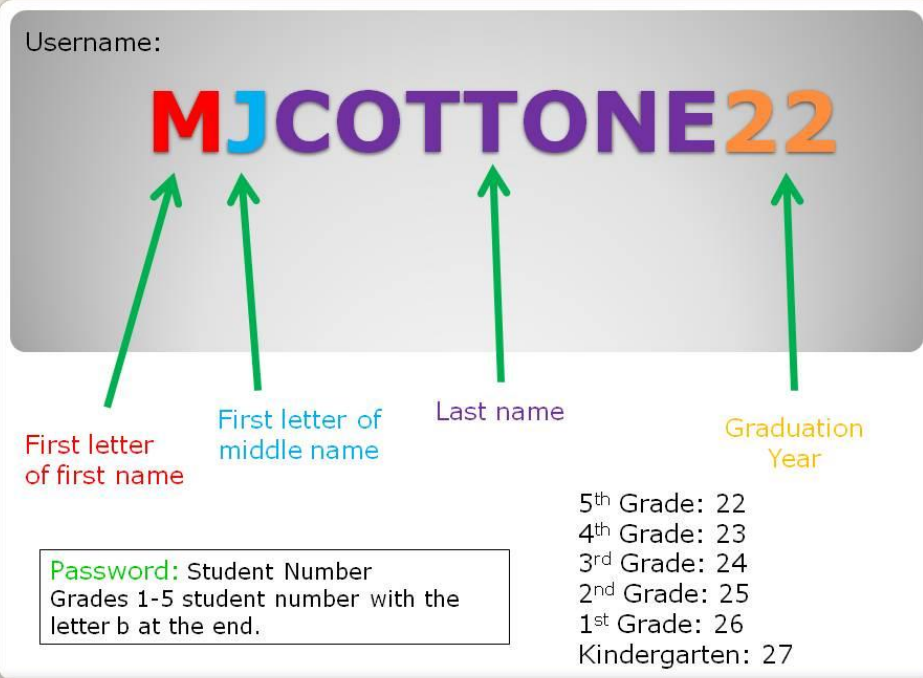

Click on this [link](#) or go to the Bemis Homepage and click on Destiny Library Catalog.

Select Bemis from the school list.

Bemis Students can access the library catalog from home! They can also log in and see what books they currently have checked out. This is a great tool now that we have block scheduling. Follow the visual prompts below to access the Bemis Library Catalog.

The screenshot shows the Bemis Elementary School website. A yellow circle highlights the 'Catalog' link in the top navigation bar. Another yellow circle highlights the 'Login' link in the top right corner. A callout box on the left says 'Click on catalog to search for books.' A callout box on the right says 'Click Login to see what you currently have checked out.'
